

STEADYHAND AI CONSULTING

The Menu

Simple AI tools for your business. Start anywhere — pick what you need.

THE BRAIN

Document Reader — Upload a document, get a summary with the important parts highlighted.

Knowledge Search — Ask questions about your own files, get instant answers.

THE DECISION MAKER

Decision Helper — Give it a hard choice, it helps you decide.

Competitor Watcher — Keeps an eye on what competitors are doing.

Rule Checker — Tells you what rules apply to your situation.

THE DATA ENGINE

Data Analyzer — Turns your numbers into simple insights.

Money Forecaster — Predicts your future cash flow.

Feedback Reader — Reads your reviews, tells you what customers think.

THE WORKFLOW CREW

Writing Helper — Writes your emails, posts, and proposals.

Meeting Notes — Turns meeting notes into a simple to-do list.

Efficiency Finder — Finds where you're wasting time.

Task Automator — Takes repetitive tasks off your plate.

HOW IT WORKS

- 1 Pick a tool
- 2 30-minute call
- 3 We build it — 2 to 3 weeks
- 4 We teach you how to use it
