

STEADYHAND

THE MENU

THE BRAIN

Your private AI — voice notes in, answers and found files out.

THE WEBSITE

Built new or tuned up — fast, findable, and yours to edit.

THE SHOP

Online store, bookings, and payments: money while you sleep.

THE FULL WORLD

Brand, story, design language, and site — the whole treatment.

THE DASHBOARD

Sales, jobs, cash forecast, and customer feedback — one screen.

THE ADVISOR

Hard choices weighed, competitors watched, rules checked.

THE BACK OFFICE

Invoices, contracts, and busywork — drafted and automated.

THE CONTENT KITCHEN

Phone footage in; branded posts and captions out.

Tap any item to see it in action. Everything plugs into the brain.
