

Sell your commercial property directly. Cash. As-is. Fast.

THE BUSINESS

CRE Direct Buying acquires warehouses and commercial properties directly from owners through two lead-generation brands — SellYourWarehouseDirect.com and CommercialCashOffer. Owners skip brokers, commissions, repairs, and financing contingencies: we evaluate, make a cash offer, and close on the seller's timeline. Currently active in the Houston market, with 6416 Conley St under contract and in title.

WHY IT WINS

Direct cash offers

No financing contingencies and no broker commissions — a straight cash number, typically within days of walkthrough.

As-is means as-is

Vacant, dated, tenant headaches, deferred maintenance — we buy the property in its current condition.

Close on your timeline

Title opened immediately after contract; sellers pick the closing date that works for them.
