

Practice above the city.

THE BUSINESS

Penthouse Yoga is a rooftop yoga studio at 231 Norman Ave in Greenpoint, Brooklyn — open-air classes with the Manhattan skyline as the backdrop. Launched in July 2026 with a sold-out open house, the studio runs a weekly schedule of vinyasa, restorative, and sunrise sessions led by a hand-picked instructor team.

WHY IT WINS

A one-of-a-kind space

Open-air rooftop practice in Greenpoint with unobstructed skyline views — an experience no ground-floor studio can offer.

Curated instructor roster

A lead instructor owns the weekend schedule; every teacher is vetted for both skill and presence.

Simple online booking

Class booking, waivers, and schedules handled online — show up with a mat, everything else is ready.
